Dear Mr Smith

Inquest touching the death of Dawn Sturgess

Thank you for Counsel to the Inquest's submissions dated 24 August 2021 and accompanying letters.

The Chief Constable of Wiltshire Police has no observations on converting the inquest into a public inquiry but, given the contents of CTI's submissions at [6] – [13], fully understands why the Coroner considers that this is necessary.

In furtherance to my previous update regarding disclosure, Wiltshire Police expect to provide substantial tranches of disclosure to the ILT imminently, and certainly before the PIR on 22 September 2021.

Please do not hesitate to contact me if you require anything further from Wiltshire Police prior to the PIR.

Yours sincerely

Victoria Exley
